Towards a fair and sustainable internet for all

It's time to adopt the copyright directive

Brussels, 11 March 2019

## **TIME TO ADOPT THE COPYRIGHT DIRECTIVE**

We, the undersigned organisations, representing authors, composers, writers, journalists, performers and others working in all artistic fields, news agencies, book, press, scientific and music publishers, audiovisual and independent music producers call on the European Parliament to adopt the Directive on Copyright in the Digital Single Market.

This Directive has been long sought to create a much-needed level playing field for all actors of the creative sector in the European Digital Single Market, whilst giving citizens better access to a wider array of content.

This is an historic opportunity. We need an internet that is fair and sustainable for all. This is why we urge policymakers to adopt the Directive quickly, as agreed in trilogue negotiations.
